

## WHITE CHRISTMAS

The sun is shining, the grass is green  
The orange and palm trees sway  
There's never been such a day  
In Beverly Hills, L.A  
But it's December the twenty-fourth  
And I am longing to be up North

I'm dreaming of a white Christmas  
Just like the ones I used to know  
Where the treetops glisten and children listen  
To hear sleigh bells in the snow

I'm dreaming of a white Christmas  
With every Christmas card I write  
May your days be merry and bright  
And may all your Christmases be white

I'm dreaming of a white Christmas  
Just like the ones I used to know  
Where the treetops glisten and children listen  
To hear sleigh bells in the snow

I'm dreaming of a white Christmas  
With every Christmas card I write  
May your days be merry and bright  
And may all your Christmases be white

May your days be merry and bright  
And may all your Christmases be white  
And may all your Christmases be white (All your Christmases be white)  
And may all your Christmases be white (All your Christmases be white)  
And may all your Christmases be  
(All your Christmases be white)  
(All your Christmases be white)

### **"I'VE GOT MY LOVE TO KEEP ME WARM"**

The snow is snowing and the wind it is blowing  
But I can weather the storm  
What do I care how much it may storm  
I've got my love to keep me warm

I cannot remember the worst December  
Just watch the icicles form  
What do I care if icicles form  
I've got my love to keep me warm

Off with my overcoat off with my gloves  
Who needs an overcoat I'm burning with love  
My heart's on fire and the flame grows higher  
So I will weather the storm  
What do I care how much it may storm  
I've got my love to keep me warm

I thought you ought to know my heart's on fire

The flame it just leaps higher

So I will weather the storm

Why do I care how much it storms

I've got my love

To keep me warm

I've got my love to keep me warm

### QUIET CHRISTMAS

Come and sit by me beside the tree and rest your weary  
feet and worried mind

Take those lists and shopping trips and let them wait until  
another time

Close your eyes and visualize your fondest memories while I hold you near

Let's have a quiet Christmas this year

Let's stop and pray for peace on Earth and think about that blessed baby's birth

I love a gentle snow and mistletoe and candle glow upon a midnight clear

Let's have a quiet Christmas this year

The evergreen and manger scene and shepherds mean the day is drawing near

Let's have a blessed Christmas, A peaceful gentle Christmas,

Let's have a quiet Christmas this year

## THE CHRISTMAS SONG (CHESTNUTS)

Chestnuts roasting on an open fire  
Jack Frost nipping at your nose  
Yuletide carols being sung by a choir  
And folks dressed up like eskimos  
Everybody knows a turkey and some  
mistletoe  
Help to make the season bright  
Tiny tots with their eyes all aglow  
Will find it hard to sleep tonight

They know that Santa's on his way  
He's loaded lots of toys and goodies on his sleigh  
And every mother's child is gonna spy  
To see if reindeer really know how to fly  
And so I'm offering this simple phrase  
To kids from one to ninety-two

Although it's been said many times, many ways  
Merry Christmas to you  
They know that Santa's on his way  
He's loaded lots of toys and goodies on his sleigh  
And every mother's child is gonna spy  
To see if reindeer really know how to fly

And so I'm offering this simple phrase  
To kids from one to ninety-two  
Although it's been said many times,  
many ways  
Merry Christmas to you  
Merry Christmas to you

## LET IT SNOW

Oh, the weather outside is frightful,  
But the fire is so delightful.  
And since we've got no place to go,  
Let It Snow! Let It Snow! Let It Snow!  
Oh, it doesn't show signs of stopping,  
And I've brought some corn for popping.  
The lights are turned way down low,  
Let It Snow! Let It Snow! Let It Snow!  
When we finally kiss goodnight,  
How I'll hate going out in the storm!  
But, if you really hold me tight,  
All the way home I'll be warm!  
The fire is slowly dying,  
And my dear, we're still good-by-ing.

But, as long as you love me so,  
Let It Snow! Let It Snow! Let It Snow!  
Oh, it doesn't show signs of stopping,  
And I've brought some corn for popping,  
Since the lights are turned way down low,  
Let It Snow! Let It Snow! Let It Snow!  
When we finally say goodnight,  
How I'll hate going out in the storm!  
But, if you'll really hold me tight,  
All the way home I'll be warm!

Oh, the weather outside is frightful,  
but the fire is so delightful.  
And since we've no place to go  
Let it snow! Let it snow, Let it snow!  
Let it snow! Let it snow! Let it snow!

## SANTA CLAUS IS COMING TO TOWN

You better watch out  
You better not cry  
Better not pout  
I'm telling you why  
Santa Claus is coming to town  
He's making a list  
And checking it twice;  
Gonna find out Who's naughty and nice  
Santa Claus is coming to town

He sees you when you're sleeping  
He knows when you're awake  
He knows if you've been bad or good  
So be good for goodness sake!  
O! You better watch out!  
You better not cry  
Better not pout  
I'm telling you why  
Santa Claus is coming  
Santa Claus is coming  
Santa Claus is coming to town

## I'LL BE HOME FOR CHRISTMAS

I'll be home for Christmas  
You can count on me  
Please have snow  
And mistletoe  
And presents 'neath the tree  
Christmas eve will find me  
Where the love light gleams  
I'll be home for Christmas  
If only in my dreams

Christmas eve will find me  
Where the love light gleams  
I'll be home for Christmas  
If only in my dreams  
If only in my dreams

## CHRISTMAS MADE FOR TWO

I've found the decorations  
You grab the mistletoe,  
Put on some Landau Murphy  
Let's spin a little Nat King Cole  
Our tree looks like a painting from a fairy tale coming true  
Even the snow is co-operating for a Christmas Made for Two

No need to spend your money  
On packages and bows  
Feels just like Christmas morning  
Each time you pull me close  
Let's start a Yuletide fire, see the sparks light up the room  
All we need is an angel choir for this Holiday made for two.

It's nearly time to fill the stockings  
And a plate with something sweet  
Then we'll read the Christmas story  
and dream a dream of what could be  
We've braved the coldest weather  
Took a sleigh ride through the storm  
So much better being together  
Love's enough to keep us warm  
Let's toast to our tomorrows and to wishes coming true

You next to me is what I wanna be on this Christmas made for two

It is time to fill the stockings

End up late with something sweet

Then we will read the Christmas story and dream a dream of what could be

We've braved the coldest weather took a sleigh ride through the storm

So much better being together

Love's enough to keep us warm

Let's toast to our tomorrows and to wishes coming true

You next to me is what I wanna be on this Christmas made for two

We've braved the coldest weather

Took a sleigh ride through the storm

So much better being together

Love's enough to keep us warm

Let's toast to our tomorrows and to wishes coming true

You next to me is what I wanna be on this Christmas made for two

Getting next to you is what I wanna do on this Christmas made two!

## SILENT NIGHT

Silent night, Holy night  
All is calm, all is bright  
Round yon virgin, mother and child  
Holy infant, tender and mild  
Sleep in heavenly peace,  
Sleep in heavenly peace.

Silent night, Holy night

Son of God, love's pure light  
Radiant beams from thy holy face  
With the dawn of redeeming grace,  
Jesus, Lord at thy birth  
Jesus, Lord at thy birth.

Silent night, Holy night  
Shepherds quake, at the sight  
Glories stream from heaven above  
Heavenly, hosts sing Hallelujah.  
Christ the Savior is born,  
Christ the Savior is born.

### **BABY ITS COLD OUTSIDE**

I really can't stay - Baby it's cold outside  
I've got to go away - Baby it's cold outside  
This evening has been - Been hoping that you'd drop in  
So very nice - I'll hold your hands, they're just like ice  
My mother will start to worry - Beautiful, what's your  
hurry

My father will be pacing the floor - Listen to the fireplace roar  
So really I'd better scurry - Beautiful, please don't hurry  
Well Maybe just a half a drink more - Put some records on while I pour  
The neighbors might think - Baby, it's bad out there  
Say, what's in this drink - No cabs to be had out there  
I wish I knew how - Your eyes are like starlight now  
To break this spell - I'll take your hat, your hair looks swell  
I ought to say no, no, no, sir - Mind if I move a little closer  
At least I'm gonna say that I tried - What's the sense in hurting my pride  
I really can't stay - Baby don't hold out  
Ahh, but it's cold outside  
C'mon baby

I simply must go - Baby, it's cold outside  
The answer is no - Ooh baby, it's cold outside  
This welcome has been - I'm lucky that you dropped in  
So nice and warm -- Look out the window at that storm  
My sister will be suspicious - Man, your lips look so delicious  
My brother will be there at the door - Waves upon a tropical shore  
My maiden aunt's mind is vicious - Gosh your lips look delicious  
Well maybe just a cigarette more - Never such a blizzard before  
I've got to get home - Oh, baby, you'll freeze out there  
Say, lend me your coat - It's up to your knees out there  
You've really been grand - Your eyes are like starlight now  
But don't you see - How can you do this thing to me  
There's bound to be talk tomorrow - Making my life long sorrow  
At least there will be plenty implied - If you caught pneumonia and died  
I really can't stay - Get over that old out  
Ahh, but it's cold outside

**From  
Landau Eugene Murphy Jr.**
